Bidding Announcement

Medical Equipment Materials and Drugs for using in 2021

The Ministry of National Defense (MoND) is pleased to announce to local companies, including private enterprises, and foreign companies legally registered in the Kingdom of Cambodia with proper capacities and realistic experience as following:

MoND will be conducting a public bidding event to select a successful procurer for Medical Equipment Materials and Drugs for using in 2021. MoND will organize related documents for interested companies to fill out before participating in the bidding and is available for sale at the Procurement Unit within the MoND's southwest compound building starting from 30 June 2021 during working hours.

All completed forms must be submitted to the Procurement Unit on 30 July 2021 at 14:30 at the latest. The bid opening meeting will be scheduled on 30 July 2021 at 14:30 at the above address with the presence of bidding committees together with deputy director ranking or above from the participating firms.

Companies which are aligned or originated from the same source could only apply for one bidding.

Interested companies may contact the MoND's Procurement Unit to purchase bidding forms or for further information and inquiries.
